

Annual Report 2019-2020

Sunrise Educational Trust

A ray of hope

MESSAGE FROM FOUNDER'S DESK

Mr. Rajesh Sharma
Founder of Sunrise Educational Trust

Sunrise Educational Trust Annual Report for the year 2019-2020 reflects the remarkable progress made during the year by our educational and other various activities in providing various opportunities to underprivileged sessions in the society in Jammu.

It is equally satisfying to see Sunrise Educational Trust's increasing ability to handle multiple projects through the skilled and dedicated team it has been able to build during the last year.

Quality, credibility and transparency are not just the technical jargons for us. We make sure that they are observed in our day-to-day practices. In the coming year, we look forward to expand our work and services to new potential locations with the same values and spirit.

All these achievements were happening with the help of generous donors listed at the end of the report, and our collaborating partners. We heartedly laud their valuable support and looking forward for likeminded donor support for our future activities

**Education
is the
best way
to end the
cycle of
poverty.**

Message From Founder's Desk

**Mrs. Manpreet Kour
Founder Director of
Sunrise Educational
Trust**

Add a little bit of Sunrise Public School, under the Sunrise Educational Trust (SET India) is providing FREE Education, FREE Book, FREE Uniform to every student of the society who cannot afford to go to private school.. We took the initiative in the year 2012, now we have more than 200 students. Along with the education we are purely focus on the overall development of the student can it be curricular activity, personality development, dance activity, table manners, games text

"Education is not the learning of facts, but the training of the mind to think"

Acknowledgment

Deep gratitude to all our donors who provide us help by giving donation, which not only helpful in running the school but also keeps us motivated of doing such good things.

Would like to thanks all the team members of SET India and all the staff of Sunrise Public School for contributing their knowledge and strength for making this work successful.

Introduction

Sunrise educational trust (SET) is well known for its contribution to society in the educational niche. It is a registered non-governmental organization which is also non-profitable and non-political in every means.

The main motif of the trustee members is to provide free education and other such necessities to younger children of the economically poor background who have the potential to excel in life. The team members are all professionals in their respective niche of work and are qualified social workers too!. The vision of all the team members of SET is to provide education and basic life teachings to those in need without expecting any kind of profit in return. They believe in serving the people and thus, are very dedicated to what they do- social service!. There is no discrimination of caste, creed or culture in our institute and we do not take admissions based on one's religious beliefs. We are only here to serve the society and help the young minds to get wings to fly by providing them better education and teaching them the principles and values of lives which may be they would not have got due to their inical inefficiency!

Vision

A society where equality, justice and peace are achieved and sustained by bringing sustainable change in the lives of underprivileged children, youth, Men & women and elderly without any discrimination. Dedication towards Environment and awareness for wellbeing

Mission

To educate and empower the underprivileged marginalized and vulnerable sections of society towards sustainable /Holistic development by upbringing the physical, mental and cultural status of various sections of the society, healthcare and to aware all about importance of Environment.

Aims and Objectives

Our main Aims and Objectives is to provide free education, uniform, study material, lodging and Boarding, From Nursery standard to 12th standard in all parts of Jammu and Kashmir, India and abroad. To Open old age house for the senior citizen and to provide the all the basic facilities in the same campus. aph

- To provide a safe and nurturing environment.*
- To provide strong Leadership for effective and efficient operations.*
- Strengthen collaboration with like- minded organizations to exchange the knowledge.*
- To promote educational, cultural and social development of the poor and weaker section of the society.*
- To establish, conduct and manage schools,colleges,professional technical institution, marine colleges (for pre sea training*
- On board training for (crew and officers) imparting primary, secondary and higher secondary, to establish conduct and manage residential school and college including hostel for students coming from different part of the state, country for education.*
- To hold eyes camp, blood donation camp, and medical camp to provide medicines and other medical help.*

Core values of Organization

The core values are the fundamental beliefs of our organization. These guiding principles dictate behavior and can help people understand the difference between right and wrong. Core values also helps us to assess if they are on the right path and fulfilling their goals by creating an unwavering guide

Priority Set

The team of sunrise education trust dreams of providing education to the needy children from every nook and corner of Jammu and Kashmir and make the state free from the illiteracy rates. Not only that, but we also aim to expand our reaches to the entire country and abroad in the years to come with our non-profitable mindset which only focuses on doing better for society.

The chief objective of the Trust is to set up and develop educational infrastructure that offers quality education at primary level that confirms to global standards by establishing schools, and professional educational institutions without profit motive.

The Trust aims at initiating and promoting educational activities related to career and employment development like vocational training, skill based training to vulnerable section of the society.

- TO initiate, develop, maintain, support and assist, among other things, the following activities :
- Developmental programmes including surveys, discovery, recognition and promotions of regional and individual resources and other projects.
- Research, pure and applied, in both theory and practice.
- The awarding and other incentives to deserving candidates.
- The establishing and maintenance of schools.
- The developing and strengthening team members of trust.
- To incur expenditure for carrying out these objectives. To promote old age homes.

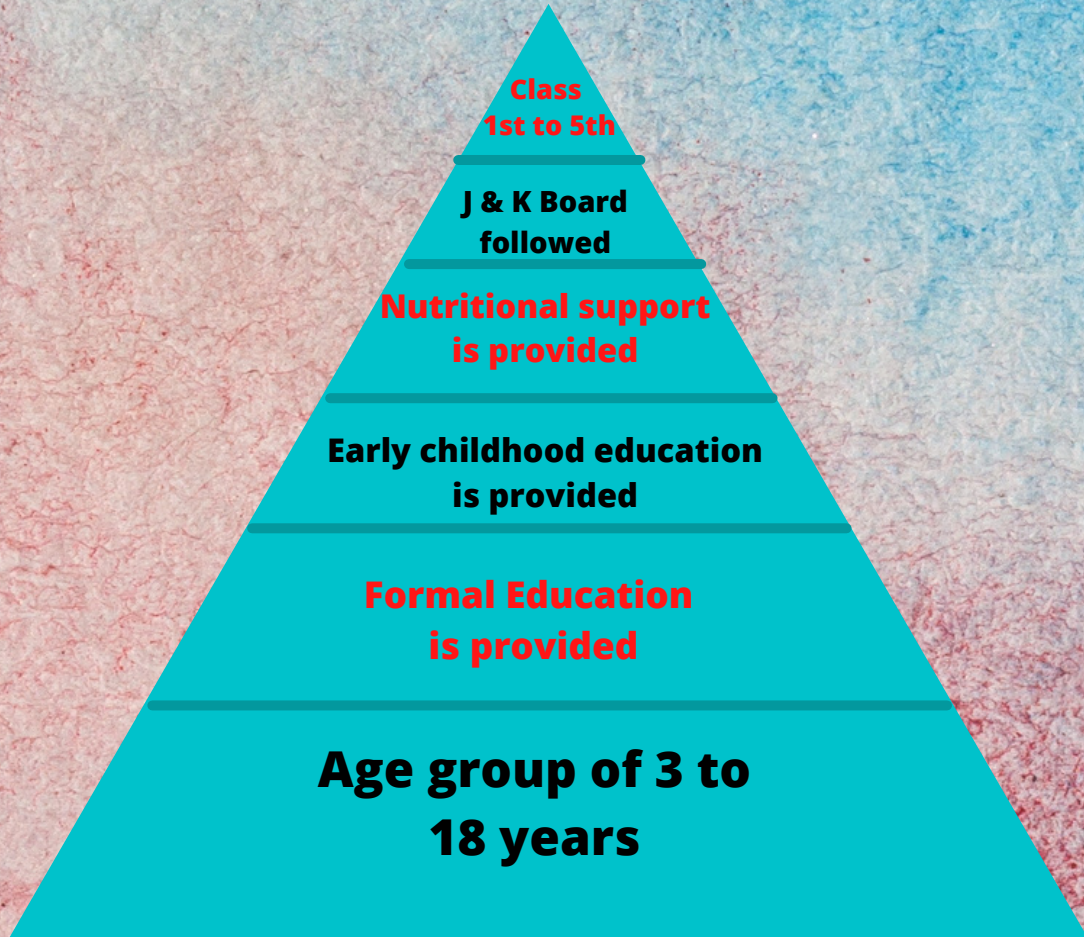

Measuring progress

Performance goals are a good way to monitor and measure progress of the organization. Reporting performance can include details such as indicators identified, data collected.

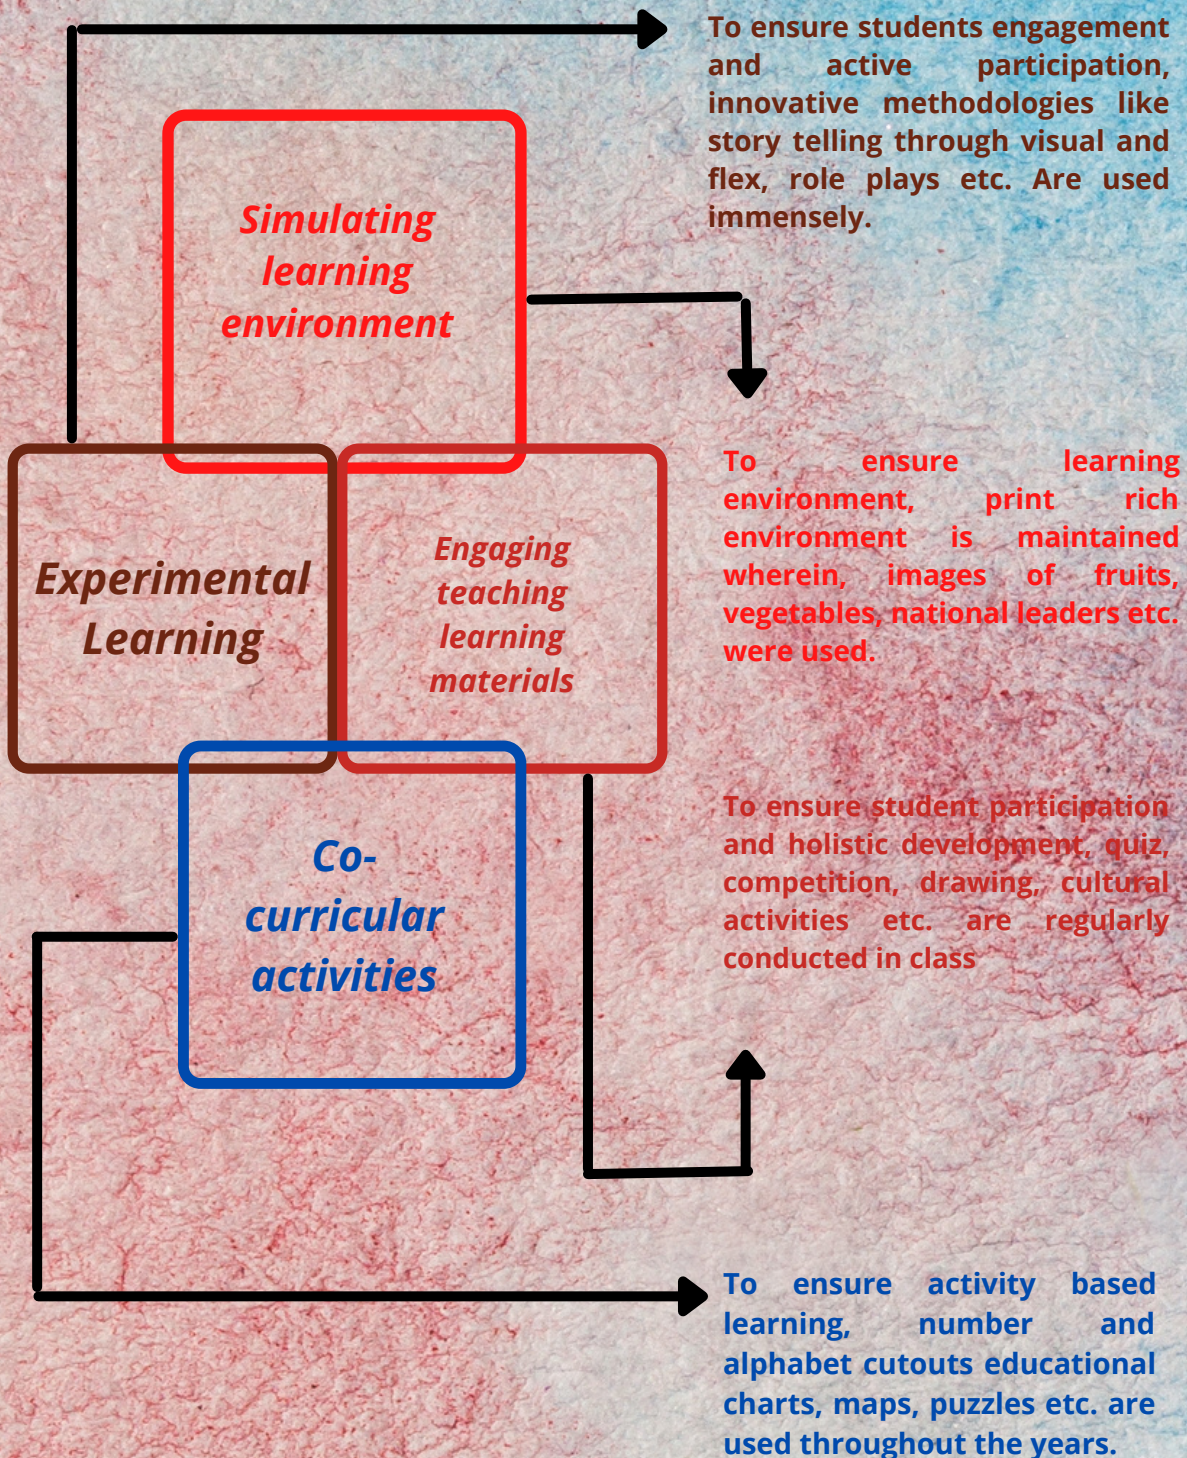

Clear and concrete performance goals make it easier to generate relevant, consistent and comparable data over time, in formats that your audience can understand and appreciate.

Key Indicator	Activity / Project	Data / Outcome
Provide educational facilities to the vulnerable section of the society.	By opening educational institutions where we provide free education to students from weaker section of society.	Opened Sunrise Public School. In the beginning trust have started school having 10 students but now this school has more than 200 students who are getting free educational other facilities
All around development of students.	Engaged students in extra co-curricular activities like games and sports, dance and music, various competitions like quiz, card making, drawing etc.	Through these activities our children not only win awards but also bring a positive change in their personality and become more bold and confident.
Residential school and Old-age home.	Our trust is making plan for opening a residential school where students can get higher education and also work upon opening of old age home for old-age people where they can live happily irrespective of any caste, color, creed and discrimination.	Working on buying land for residential school and for Old age home.

Key Highlights of Educational Program

Classroom Teaching Learning Process

Key interventions

Sunrise Educational Trust ensures quality education to the supported children. The Education center run by Trust ensures that the first generation learners of get the suitable teaching learning aids to get better education at the centers.

Following are the quality interventions under Education support of school function

Community Classes
Distribution Camps
Free Medical Camps
Celebration of important dates
Parents Teacher Meetings
Distributions of free uniform, shoes, books etc.

Festival Celebration

Festivals are the periods of celebration and an important part of Indian culture. They are a tool to bring life to state of exuberance and enthusiasm. They bring us closer every year and eliminate any feelings of communal hatred. Sunrise educational trust always told their students to promote their culture that is why we always celebrate all festivals with the student of Sunrise Public School.

Parents Teachers Meeting

Parents teacher meeting were organized by the Sunrise public school working as a connecting link between parents and teachers as the parents knowhow the child behaves and is doing at home while the teachers would know about behavior at school. The union of the teacher's feedback and parent's concern can immensely help a child's educational journey. Parent teacher meetings are held once in a month at the School to ensure regular parent-teacher interaction on the academic progress and behavioral concerns of the children.

Special Events and Activities

During the year 2019-2020

Medical Camp was organized by the Red Cross Team of Jammu in Sunrise Public School. Students are examined by Doctor classwise. Doctors advised students to maintain their personal hygiene. During the camp free medicines are provided to the students
